## SHOE CATALOGUE

*Welcome!*

You are at the Capital shoe catalogue, which has been prepared carefully by selecting the advanced shoe products manufactured by Capital Sports.

As always, the primary aim is to let you see our top quality extensive range of products with maximum possible specs & features, so that you could be completely aware of them and could pick the best match with your quality needs.

By having a dedicated large production facility equipped with fully automated machinery, Capital Sports is capable of producing over 0.5 million shoe pairs every year.

The global brands we have earned the deepest trust of:

-  Adidas
-  Tachikara
-  Molten
-  Web Ellis
-  Diadora
-  Spalding
-  Spartan
-  Kappa

*“We are a Leader.  
We work with Leaders.  
And our long history of  
research and innovation  
keeps you ahead of the  
curve on sports and passion”*

Capital ensures the manufacturing of its products with highest quality materials under ISO and other international preset parameters.

This code of standard practice helps Capital develop and maintain stringent quality assurance at every stage, from raw material to finished condition, which is indeed a remarkable achievement in order for Capital to produce optimum quality products with extremely competitive prices.
